

Panama Business Brigade

Consult Microenterprises Abroad
Real world business experience. Real world change.

I _____ am travelling to Panama in _____ on a business brigade. While there we will develop local enterprise, give financial training and invest in the local community. Around 30% of the Panamanian population is living in poverty, with the majority of these citizens living in rural communities, with little or no access to basic health, water or financial services. Without our support these people will forever live in the poverty cycle. I ask you to kindly donate what you can to a very worthwhile cause. If you would like to give your e-mail address I will gladly send you a detailed report of our project and the difference your contribution made to the lives of those less fortunate. Thank You.
