Human Rights Brigade

Holistic Development

I ______ am travelling to Panama in ______ on a Human Rights Brigade. While there we will empower rural communities of Panama Este and the Darien Province of Panama to overcome obstacles that impede access to justice through legal counsel and educational workshops. Legal action such as securing child support for a single mother and other domestic cases will contribute to the economic stability of numerous families. I ask you to kindly donate what you can to a very worthwhile cause. If you would like to give your e-mail address I will gladly send you a detailed report of our project and the difference your contribution made to the lives of those less fortunate. Thank You.
