EMPOWERI

Real world business experience. Real world change.

I \_\_\_\_\_\_ am travelling to Ghana in \_\_\_\_\_\_\_ on a business brigade. While there we will develop local enterprise, give financial training and invest in the local community. The community we will be working in is based in the Central Region of Ghana. Typical income is less than €1 per day, which is unimaginable for most of us. Without our support these people will forever live in the poverty cycle. I ask you to kindly donate what you can to a very worthwhile cause. If you would like to give your e-mail address I will gladly send you a detailed report of our project and the difference your contribution made to the lives of those less fortunate. Thank You.
