

Honduras Business Brigade

Consult Microenterprises Abroad

Real world business experience. Real world change.

I _____ am travelling to Honduras in _____ on a business brigade. While there we will develop local enterprise, give financial training and invest in the local community. Currently, more than 50% of the population lives in poverty. Rural communities are often isolated with poor road infrastructure making trade and commerce difficult. Without our support these people will forever live in the poverty cycle. I ask you to kindly donate what you can to a very worthwhile cause. If you would like to give your e-mail address I will gladly send you a detailed report of our project and the difference your contribution made to the lives of those less fortunate. Thank You.
